Lions' Speaker Tells of Phenomenal Occurrence He Witnessed in Europe

LEGUME-GRASS MEET MARCH 9

All farmers in Will County will have an opportunity to find ways and means of increasing their farm profits when they attend a special county-wide meeting at the Ottawa Street Methodist church in Joliet Thursday afternoon, March 9 starting at 1:30 pm.

An attempt is also being made to arrange a similar meeting in the eastern part of the county on the morning of March 9 to accommodate farmers living in that part of the county. As soon as final plans have been completed, an announcement will be made.

Farm Adviser Wayne Churchill this week urged all farmers and their wives in the county to attend the meeting, which marks the start of a series of activities designed to increase the acreage of legumes and grasses on Will County farms.

"There is growing interest in the plans that have been made for Will County's participation in this program," Churchill said, "and the complete details will be reported at this first meeting."

It is amazing, but true, that only one acre in ten in Will County has been in a grass or legume. Experimental evidence indicates that a minimum of one-fourth of the land should be in legumes and grasses to maintain soil fertility. At least this much is needed to build back the fertility of our soils, increase the organic matter, and to improve the efficiency of our livestock feeding operations.

One of the features of the meeting will be the showing of the sound-color film, "Green Dollars." The movie was produced by the University of Illinois College of Agriculture, and all the scenes were taken on Illinois farms or on the experimental station fields of the college. It stresses the need for a balanced legume-grass program on every farm and shows how such a program can be established.

Garden Club of Ill. Will Sponsor Film Of World's Growth

On Monday, March 13 at 2:15 p.m. The Garden Club of Illinois, Inc. will present a program to its member clubs by John Nash Ott, M. Ott, nationally known moving picture producer and lecturer, has again produced a "miracle film," which is entitled "Our Changing World." It tells the story of the development of plant life on the earth. By means of time-lapse photography are shown pictures of successively higher forms of plant life, actual cell division, the growth of a fern, the development of a pine cone, the maturing of a peach from the dormant bud, and many other time-lapse sequences of different flowers. It also tells of the geological development of the earth with pictures of glaciers in Alaska and Greenland, active Paricutin Volcano in Mexico, the effect of earth quakes and other geological formation of interest in our national parks.

If the two billion years since the Aztec period could be reduced to twelve months, it is in the film the parade of plant and animal kingdom would pass in review with the speed of light. Man, last to arrive in our twelve month time calendar, would occupy less than a day. From the most primitive species of man to our present "atomic Age Citizen," would occupy about twenty-four hours. "Our Changing World" brings this time calendar to us and reduces the billions of years to an understandable period.

This lecture which is open to all members of The Garden Club of Illinois will be held in the Red Lacquer Room of the Palmer House Chicago. A small guest fee will be required of non-members.

Preceding the lecture the regular Board of Managers of The Garden Club of Illinois will meet in their offices in the Palmer House, Mrs. A. O. Figge, of River Forest, President, presiding.

Pot Luck March 8 Ends Marley Farm Life Program

The Marley Farm Life program will be concluded with a dinner to be given March 8, in the Marley church. This program, which includes several weekly meetings each year, has been a marked success for a number of years.

It has been carried on with the cooperation of the JTHS agriculture department.

Harry Adams, science instructor of JTHS will be the principal speaker at the potluck dinner which will be served at 7 o'clock. He was formerly superintendent of the Bloomington high school. He will use films to illustrate his talk. Everyone is cordially invited to attend.

A most interesting meeting of the New Lenox Lions Club was held recently when they met in the St. Jude's Catholic church. The ladies of the Altar society served the dinner. Wives of the members were guests, and it is reported the attendance was the largest they have had at their Lions meeting. The president Don Wennlund, presided at the program which followed the dinner.

Herman Troppe, winner on the Horace Heidt recent amateur show in Joliet, entertained with several selections on his accordion, after which a very informative talk was given by Joe Daurer of DeKalb who is advertising manager for the Rudolph Werltzer company, and who is also a former member of Lawrence Welk's orchestra and a war correspondent and photographer.

His talk concerned his visit to Theresa Newman in Kongsrude, Bavaria. She is said to be the most perfect marked stigmatist to appear in many centuries.

Mr. Daurer accompanied by the Kongsrude priest, spent three days with Miss Newman, Thursday, Friday and Saturday, which is the time that Miss Newman goes into an ecstasy, when it is reported she bleeds from wound spots that appear on her body exactly as they appeared on Christ's body on the cross. Each Friday she bleeds from these wounds and on Good Friday she bleeds twice the amount.

Theresa Newman never partakes of any food and the only way she gains her strength is from the which she partakes of after each Lord's Supper, the bread and wine ecstasy.

The speaker said that many of the finest physicians in the country with Pope Pius who sent his staff have seen this and verified it along of physicians to investigate and afterward sent an autographed picture of himself which hangs over her bed. This whole talk was verified by actual photographs which Mr. Daurer showed the New Lenox group. After the talk Mr. Daurer answered questions put to him by those present.

Everyone expressed their thanks to Mr. Daurer and Mr. Troppe for appearing on the program.

MOKENA INFANT FIFTH CASE OF RARE SURGERY

A rare case of surgery was performed on a Mokena infant in the Children's Memorial hospital in Chicago, February 13, when a tumor was removed from the spine of little Joyce Mattsey.

Joyce, the daughter of Mr. and Mrs. Robert Mattsey, First street, Mokena, was nine months old at the time of the unusual operation. She was born with the obstruction which at birth was the size of a thumb nail. In the nine months it had grown to the size of a teacup.

Two outstanding surgeons, specialists, who performed the operation are Dr. William Riker and Dr. Willis Potts, the latter being a heart specialist.

The operation was 2½ hours duration. Two blood transfusions were given and one direct blood transfusion.

Joyce returned from the hospital last Tuesday and is improving nicely. Her mother takes her to the Chicago hospital every four days for a checkup. Joyce who weighed 5½ pounds at birth, now tips the scales at 14 pounds. She will be 10 months old next week.

This is the fifth case of this rare surgery known to the medical society.

HOMER COUPLE MARRIED 50 YRS.

Mr. and Mrs. Frank Trantina held "open house" last Sunday afternoon and evening in their home on 151st St., Homer township in celebration of their fiftieth wedding anniversary. A buffet luncheon was served from a table decorated in gold and white; a large wedding cake flanked by gold candles formed the centerpiece.

The couple were married on February 13, 1900, in St. Joseph church Chicago, with Father Boabool officiating. Mrs. Trantina was Miss Mary Waschik of Chicago, before her marriage. Mr. Trantina was a native of Chicago, but came to Homer with his parents in 1885 and has lived on the home farm ever since. She is 74 and he will be 76 in March. They became the parents of eight children, seven of whom are living; they are Mrs. Marie Welter and George Trantina of Brookfield; William of Chicago; Frank of LeRoy; Mrs. James Pol-edna of Berwyn; Charles and Mrs. John Elise of Lockport; also there are nine grandchildren.

Mr. Trantina has served as director of School district 132 for 42 years; both he and his children attended this school. He also was township assessor for six years.

Many friends wished them happiness on the momentous occasion of their golden wedding.

To Demonstrate New Photography Here

The Winke Studio in Joliet has received the exclusive rights to use a new electronic-type color camera that produces color portraits at about the same cost as black and white photographs.

In order to introduce this revolutionary camera in this area, John Winke, the owner, will give free demonstrations this Saturday and Sunday, in Mokena. He will set up a temporary studio in the Gus Braun confectionery store where he will take pictures free for these days.

Mr. Winke, is not a stranger to this territory as he was born in Homer township, the son of Mr. and Mrs. Henry Winke, and also has sisters living in Mokena. Since returning from service in World War II where he followed photography, he has established a studio at 155 N. Ottawa street in Joliet. He feels that he was fortunate in being able to secure an exclusive franchise for this area of this new color camera, due to the demand for them. For further particulars read his ad in this issue.

Bond Issue Voted For New School

At a special meeting held recently the residents of the Sotterman school district voted to issue bonds for erecting a new school building. The new school will have three rooms and will be built on the old site, also voted on at this meeting.

You Can Give Flowers Anytime

By THE OFFICE BOY

Well sir, last Wednesday after the paper was out I mooched up town (without my bicycle, for you all know what the weather was that night) so the bike sat in the shed in back of the house.

Anyway when I got there, I saw what I thought was an Eskimo the way he was dressed, get into a car. I says, where are you going? and he answered "Just never you mind, sonny." So that was that.

Well, I stood around and in about an hour and a half or so, back he came, looking somewhat the worse for wear. In his hand was a package and it looked to me like it might have been some flowers.

I knew better than to ask him again about his business, so I just kept my ears open and watched.

Finally, as usual, I got the story: Judge John Balaz hasn't forgotten flowers for his wife on their wedding anniversary for 33 years, and seeing as how his anniversary was on Thursday, the twenty-third he went out to get flowers, and the heck with the weather.

C. U. Later, C. S. You know, I sometimes think that if more people would make a habit of not forgetting their wives, regardless of heck or high water, maybe we could use less divorce judges and thereby cut taxes a little.

BASKETBALL

On Wednesday, February 22, Mokena trounced New Lenox 67 to 52. High scoring honors went to our two towering giants in the persons of Jack Marti and Clair Warning, scoring 29 and 18 points respectively. High point man for the visitors was Chuck Caley with 19.

Friday, Mokena journeyed to Midlothian and walloped Tinley Park 76 to 55. It was a battle royal for three-fourths of the game when personal fouls took their toll. Five men from Tinley and two from Mokena fouled out. These two games made our league's record advance to 14 to 1.

We have three remaining games to complete our schedule. Saturday, March 4, Mokena plays Homewood A. C. in a twin bill at Homewood. This is the great team that gave us our defeat and they are undefeated thus far.

This game should prove to be an interesting contest so let's have many Mokena rooters over there to bring our boys good luck.

Air Traveler Tells Of Trip to England, Ireland, Sweden

Returning last week from a three week air tour of England, Sweden and Ireland, Mrs. H. D. Bowyer of 135th street, Orland township, was enthusiastic in her praise of the reception accorded the American traveler in all the countries she visited. The latter two countries, Sweden and Ireland, are not recipients of Marshall Plan aid. Everywhere a spirit of helpfulness in smoothing out the difficulties of a foreign tongue or the annoyances of an unusual regulation, made the visitor feel thoroughly welcome.

Traveling via American Airlines DC-6 and American Overseas Strato-cruiser, the trip from Orland Park to Limerick, Ireland, was accomplished in twenty-one hours. This included time spent in changing airports in New York, as well as health and customs inspections.

In Doncaster, England, Mrs. Bowyer was the guest of Mr. and Mrs. George Tomick former residents of Orland. Mr. Tomick, who is Manager of Engineering for International Harvester European Division, spends about every third month on the continent where Harvester is establishing several new plants.

Excursions into the Yorkshire countryside included a visit to "Mount Pleasant," a model dairy farm specializing in registered Friesian cattle.

In Stockholm, which in winter closely resembles Chicago, she found a busy city with stream-lined streets, steam heat everywhere and shops displaying merchandise in the Michigan Avenue manner. Enjoyable trips in Sweden included skiing at Drottningholm, a visit to the University of Sweden and attendance at the fur market in Upsala.

There ermine, mink, martin, otter, fisher and several varieties of fox which have been trapped by farmers in the surrounding countryside are brought to town for sale each month.

Southern Ireland, she discovered, is a country of gently rolling pastures covered with luxuriant grass. The methods of farming, merchandising and, above all, food handling in Ireland were in definite contrast to the more modern methods used in Sweden. For example, milk distribution in Limerick, a town of 60,000, is taken care of in old world fashion. A two-wheeled cart drawn by a small donkey is loaded with two five gallon cans of milk. As the cart drives through the streets a housewife wishing fresh milk comes to the curb with her pitcher, gives the milkman a coin, and

Erwin Hentsch Home From Hospital

Erwin Hentsch, who figured in a serious automobile accident two weeks ago has improved so rapidly that he was able to return to the home of his parents, Mr. and Mrs. Fred Hentsch Wednesday evening.

Erwin, who had 216 stitches taken on his face as a result of the accident, has all bandages removed and is not the worse for the cuts.

Robert Kreml, who also figured in the same accident, is still in the hospital with three nurses in attendance. He is doing well and is anxious to be home.

N. L. Church to Observe 10th Anniv.

The members of the Immanuel Lutheran church of New Lenox, will celebrate their tenth anniversary Sunday, March 12 with special services in the morning and afternoon. The congregation was organized March 10, 1940, when the Rev. Walter J. Geffert, then pastor of the Mokena Lutheran church, went to New Lenox and held services in the school.

The 34 present at the services later held each Sunday, decided to organize as a congregation. They did September 11, 1940. They continued to meet in the school until they built the church. The first services were held in the new church building on Christmas eve of 1942.

The congregation has grown to 140 communicant members. Their first resident pastor was the Rev. J. G. Manz. The present pastor, who has served there for four years, is the Rev. Leonard Reinke.

At the morning service on March 12, the speaker will be the Rev. P. G. Kranz, of Aurora, who is the circuit visitor. The Rev. J. G. Mantz, now pastor of St. Paul's speak at the afternoon service, Lutheran church, Chicago, will which will start at 3 o'clock.

On the second Sunday in September, the members plan to celebrate the organization of the congregation, when the Rev. Geffert will be present and preach. The members of the anniversary committee are Lester Brown, Elmer Schoop and George Webster.

Miss Belle Owen, 83, Dies in Chicago

Miss Belle Owen, 83, born of a pioneer family in Frankfort township, died February 23, in Bethany hospital, Chicago, following a long illness. She had been making her home with a niece, Mrs. Edward Bixby of Chicago.

Miss Owen was the author of four books, among them "A Prairie Winter" and several books of poetry. For many years she contributed poems to the Chicago Tribune.

She is survived by one brother, James, of Cherry Hill, Joliet, and several nieces and nephews in this locality. She was the granddaughter of Francis Owen who was the fourth permanent white settler in Frankfort township.

Funeral services were held at a funeral chapel in Chicago, followed by cremation.

N. L. Athletic Club To Elect Officers

The New Lenox Athletic club is starting a program to promote sports for the community. A meeting was held February 23, to discuss plans for a church league such as they sponsored last year with grand success. If enough people are interested in helping the ball team for the coming season the club will promote basketball next year.

Officers to serve this year were nominated at this meeting and election will be held at the next meeting of the group, March 13 at 8 pm in the club room back of Amos Bruns'. All members are asked to attend and everyone interested in promoting sports are invited.

Forty Trucks Stalled Near Icy Hill

The snow filled streets and sidewalks, which had been well plowed and shoveled, were treated to a dressing of rain Monday night. By Tuesday morning all highways were slick and icy and garages were busy answering calls to start stalled cars etc.

There were 40 large trucks stalled on 159th street east of route 45 which could not make the hill near the William Beagle farm.

By early afternoon the rain had stopped and conditions were much improved. The rain had helped to melt a great deal of snow and carried it away in natural drainage channels.

Consumers Asked to Reduce Use of Elec.

As part of the emergency conservation program, customers of Public Service Company of Northern Illinois commencing Monday, February 27, were required to reduce the use of electricity by at least 25 per cent.

The curtailment program, which was ordered by the Illinois Commerce commission following a formal hearing attended by representatives of Illinois electric utilities, is necessary to prolong electric service for public health and safety and protection of property. It affects most of the areas in Illinois served by electric companies using coal, in whole or in part, in the generation of electricity.

The restrictions apply to all customers including industrial, commercial and residential. Exemptions are limited to public water supply or sewage disposal systems and public street lighting systems.

In order to determine his required reduction in kilowatt-hours, a customer must first ascertain his average weekly use of kilowatt-hours during the period ending with his January meter reading. His total use for the 7-day period commencing Monday, February 27, must not exceed 75 per cent of this January average weekly use. Although each customer must reduce his use of electricity by at least the required amount, he may use his discretion as to how he accomplishes the reduction.

As an example: A customer looks at his bill for the period ending with the January meter reading. He finds that he used 8100 kilowatt-hours in the period. His average weekly use, therefore, was 700 kilowatt-hours (8100 kilowatt-hours divided by 31 days equals 261 kilowatt-hours x 7 days equals 1827 kilowatt-hours). Such a customer is required to reduce his use in the seven day period starting February 27 by at least 175 kilowatt-hours (25 per cent) or to a total of not more than 525 kilowatt-hours. The amount of electricity allowable can be used for any purpose at any time during the seven day period. He may use it all in three of four days or spread it over the entire seven day period.

The serious nature of the emergency requires that customers effect the largest possible and practical reduction beyond the 25 per cent by reducing their consumption of electricity by such means as elimination of window, display, sign, marquee lighting.

However, specific prohibitions, frequently included in so-called "dimout" orders, are not included in this order, as experience has proved that in many cases they cause difficulties out of proportion to the fuel savings realized.

Residential and rural customers, under the commission order will be considered in compliance if they conserve electricity in every way possible without causing themselves severe hardship. The seriousness of the situation requires the wholehearted cooperation of all customers.

Double Fortieth Wedding Celebration

On Saturday evening about sixty relatives gathered in the Mokena school gymnasium to honor Mr. and Mrs. Edward Martie of Mokena, and Mr. and Mrs. Frank Marti of Frankfort on their fortieth wedding anniversaries. The guests enjoyed dancing and both old and young took part in the quadrilles to the concertina music played by Hilbert Schultz of Tinley Park.

Members of their families assisted with the entertainment and refreshments. A buffet supper was served from the table centered with a three tier wedding cake. Both the brides of forty years, were presented with corsages and their husbands with boutonnières. Each couple received the gift of a purse of money.

Work Progressing on New Lumber Bldg.

The new building which the New Lenox Lumber and Hardware company is building on Wolf road to house their lumber business in Mokena, is progressing. The cold weather has hampered work, but as soon as conditions improve, it is expected work will rapidly push ahead.

Nature Wonder, Once Thot Hoax Proved by Film to be Shown at Lin. Estates Church

The old hocus-pocus of fish that supposedly lay their eggs on dry land has been proved at last.

For years Californians have claimed that a small silvery fish in the smelt family, the grunion, chooses certain moonlight nights to come up on the beach and spawn. Non-Californians have claimed the story sounds as fantastic as a chicken laying its eggs on the bottom of the ocean. Few people have ever seen the phenomenon occur.

But in a new scientific film, "Dust or Destiny", the peculiar spawning habits of the grunion have actually been photographed. A showing of this 40-minute production is scheduled for the Calvary Baptist church, 79th St., Lincoln Estates S. D., Monday March 13, at 8:00 pm., according to the Rev. Wm. N. Kerr, pastor.

Produced in the west coast film studios of Chicago's Moody Bible Institute, "Dust or Destiny" is fourth in a widely acclaimed series of scientific films with a religious emphasis. More than a million people will see the production in its first year, the Institute estimates, though showings will not be scheduled in any of the nation's regular movie theatres. Churches, Military bases, schools and television will constitute most of the audience.

The capture of the grunion photos in "Dust or Destiny" was a tedious affair. Institute cameramen

wondering if they were being sent out on some kind of fishy snipe hunt, set up their paraphernalia on the beaches of Malibu, La Jolla and Long Beach, Calif., and hoped that some grunion would appear. They did. At the night's highest tide, hundreds of the silvery fish flopped up to the sand, dug holes in which to bury their eggs, and flopped back out to sea again.

Invading the poor grunion's private life with a color camera might have been enough. But the movie makers went a step further. Digging into the sand, they found samples of the tiny fish eggs to be examined in the laboratory. Then they set up complicated equipment for lapse-time photomicrography and waited for developments.

Through this specialized photographic technique, "Dust or Destiny," shows the actual division of cells within the grunion egg. Gradually, the cells begin

Jerry McLean, son of Mrs. Margaret McLean Boyden, was united in marriage with Miss Evelyn Phogren Saturday, February 25 in the City Methodist church in Gary, Ind. Jerry, whose mother still owns her home on 80th avenue, was raised in Lincoln Estates and is well known here. A large group of local friends attended the reception held in East Gary following the ceremony.

Clinton Edmonson damaged his car seriously last Saturday evening while driving down 80th avenue. There were several large rocks protruding in the middle of the street, which seem not to be noticeable until hit. The next morning Prof. Herr, instructor at the Bloom township high school, wrecked his car when he was driving on 80th avenue on his way to call at the Gus Schaper home. Although no one was hurt, both cars were badly damaged. The people in this vicinity have called

upon the township highway commissioner with no response and finally a few of the residents took it in their own hands, and dug out the rock themselves, in order to save other like accidents. The residents of Lincoln Estates feel that the township officers are not doing their duty in the Lincoln Estates area.

Mrs. Donna Carter was hostess to a Stanley Brush demonstration in her home Wednesday afternoon. Guests were Mesdames Bernice Steck, Ruth Dixon, O. R. Andrews, Ruth Elphick, Elsie Studnicki, Helene Delaney and Robert Wheeler.

Many PTA members of the Ann Rutledge school board attended the 50th anniversary banquet of the Will County PTA Council held in the Masonic temple in Joliet last Thursday evening. Among them were Mesdames Walter Carter, Isabelle Davidson, Clinton Edmonson, O. R. Andrews, Robert Wheeler, George Walker and James Dixon.

Mr. and Mrs. Arthur Wilson have returned from a recent trip through the south.

The children of the Ann Rutledge school enjoyed a toboggan party in Palos Park last Saturday afternoon. It was under the direction of Mrs. Celeste Carpenter, teacher of the primary grades, assisted by parents of the children who drove their cars and helped in many ways. All had a pleasant time.

Under The Cross Of Malta

At the Post's last regular meeting Thursday, February 23, we had a good attendance. Junior Vice Commander Werner conducted the meeting in the absence of Commander Saarela. Mr. Julian Scott Perry was elected to membership in the Post and we all sincerely welcome him as a member of our Post.

In Mokena and vicinity there are many Veterans who are eligible to join the VFW, several have indicated that they will join, now it is up to all the Post members to get busy and do some recruiting. We also are inviting all veterans to come to our new home and see us. During the month of March the annual election of Post officers will take place and we are urging all members to send in their dues so that they might be able to vote.

On St. Patrick's Day, March 17, Wm. Martin Post will put on their first public dancing party in the new building. Tickets will be on sale by all Post members. This dance will definitely be a gala affair, an excellent band has been engaged and those who attended Morry Larson's party can tell you something about the floor, and other modern facilities.

The next regular Post meeting will be on March 9th, 8 p.m. VFW home.—Glenn C. Peterson, Publicity officer.

To conserve the dwindling coal supply of the New Lenox Grade school, the New Lenox Board of Education, at a special meeting held last Friday night ordered that effective, as of Tuesday, February 28th, the school day be shortened and all classes dismissed at 1:30 o'clock until the fuel crisis has passed. All children living any distance from school were advised to bring their lunches to school Tuesday as the lunch hour has been shortened to thirty minutes. By cutting several hours of stoker operation each day the board hopes to avert any complete closing of the school. There is a normal two weeks supply in the bin. Superintendent Oster was also instructed to advise all users of the building that in order to cooperate with the power company in conserving fuel no night sessions of any kind should

be held during the emergency. The board arranged to hold its own regular meeting Friday night in the home of one of its members.

The New Lenox Unit of Will County Home Bureau met Thursday afternoon, February 23 in the home of Mrs. Davis Gougar, with Mrs. Paul Stael and Mrs. Joseph Gougar assisting. Dessert-coffee was served buffet style by the hostesses. Roll call was answered to the question "What I Want in Next Years program," by 26 members and 2 guests. Plans were completed for the card party to be held March 18 in the local school gym. Attention was called to the fact that the Home Bureau radio program on station WJOL has been changed to second and fourth Saturday of every month. The major lesson "Control of Weight Through Diet" was given by the Home Advisor, Miss Betty Wingrove. The minor lesson on "Stay Stitching" was given by Mrs. Fern Luther. The next meeting will be March 24 in the home of Mrs. William Allen with Mrs. Edward Mooney and Mrs.

Base of Operations

Lesson for March 5, 1950

THERE IS NO RULE in the Bible forbidding Christians to have common sense. You are not supposed to lay aside your mind when you become a Christian.

This has had many illustrations: let us take Ephesus for one. Put yourself, in imagination, back to the first Christian century. Ask yourself: Where can we start a church where it will do the most good? Where can we put a church that will spread out, one that is sure to have daughter churches? Where can we reach people of influence? Where can we locate a church where it is certain to be heard of?

As your eye ranged over a map of the Empire, you would have lighted on Ephesus as the very place. It was a true capital, not a merely political one.

Dr. Foreman

Strategy

It was a master-stroke, selecting Ephesus as a base of operations. It made possible the rapid spread of the Christian faith into the province of Asia. The decision to plant a church there had been matched by other strategic decisions in Christian history since then. One of these was founding the church in Rome. That was an even greater city and capital than Ephesus, and it has lasted much longer.

If the Christian church had been content to be provincial, all right for the smaller towns but afraid to tackle the big ones, if the early church had feared to seat itself in Rome, the whole history of Europe would have been different.

When the Roman Empire crumbled, as in time it did, the church rose on its ruins and took its place as the great civilizer of Europe, the strong force that kept a continent from decay for nearly a thousand years.

Our Ancestors

FROM THE DAYS of the early Roman church there comes a well-known story which may be true. In the slave market at Rome the Pope saw some handsome small boys, whiter than the average Roman, for sale. Who are you? he asked. "Angli," they said—Angles, from far-off marshes along the North Sea. No, smiled the Pope, who was a bit of a punster, you are too good looking for that; "Non Angli sed Angeli," not Angles but Angels.

Anyway, the church did send some missionaries to far-away Anglia and elsewhere in Northern Europe. It turned out to be another strategic base of operations. Eventually France and Germany and England and the other countries in that part of the world were converted to Christianity. The time came when those very nations took the lead in moving into the rest of the world, into the western hemisphere, "down under" to Australia, even into Africa. Where they went, they carried their religion with them.

Suppose the church had not thought our ancestors worth converting? Suppose all the colonizing movements of the 16th and following centuries had been waves of sheer pagans?

It is not mere racial pride to say that the sending of missionaries to those savage peoples of northern Europe was one of the most strategic moves ever made by the Christian church.

And Today?

THE CHURCH has not always been smart. Sometimes we have missed the boat. There have been strategic centers we might have occupied—and did not.

There was a time, for instance, when Russia, that mighty nation, was open to Christian teaching. Many who knew that land for Christ. But the Christian church was little interested... and now whatever Christianity is there has to stay underground.

Farther east, our own General MacArthur has been calling for missionaries to Japan, thousands of them. Japan is wide open to Gospel today as never before. But where are the missionaries? Going over in dribs and drabs.

Whenever Christianity has seen a strategic point and taken it, future generations have been blessed; whenever we miss our chance, future generations will wonder how we could have been so blind.

Mrs. Blanche Mitchell attended the Red Cross meeting in Joliet Thursday evening.

Mr. and Mrs. Orville Schinkowski were Sunday evening guests of Mr. and Mrs. Harry Yunker of Mokena.

Mr. and Mrs. Harvey Rosendahl were the honored guests recently when a group of relatives surprised them in their home in honor of

their 15th wedding anniversary. A potluck dinner was enjoyed after which a social afternoon followed. The Rosendahl's were presented a beautiful table lamp from the group. Guests were from Fairbury, Forrest, Piper City, Strawn, Cullom, Chatsworth and Kankakee. Last Thursday evening the Rosendahl's entertained their neighbors in honor of the event. Mrs. Rosendahl was presented a corsage of pink carnations from the group. Pinchle formed the evening's diversion and later refreshments were served. Prizes for pinchle were awarded to Mr. and Mrs. Gilbert Schmuhl, Mrs. Alvin Bruggeman, Ed Dralle, Emil Raub and Mrs. Irvin Burmeister. Other guests were the Earl Bettenhausen's, Harold Ullrich's, Harold Scheer's, Alvin Wanner's, Gilbert Sippel's, Lee Arnold's, Dennis Briva's, Mac Kurlma's, Elmer Erickson's, John Bauch's and Carl Weber's of Manteno. Also Alvin Bruggeman, Mrs. Ed Dralle, Mrs. Emil Raub and Irvin Burmeister. The honored couple received a gift from the group.

Mrs. Ray Warning and Mr. and Mrs. Frank Marti attended the funeral of their aunt, Mrs. Lesetta Sass, 91 years old, which was held in Chicago last Monday afternoon.

Mr. and Mrs. Wilbur Kleier entertained their pinchle club in their home Saturday evening. Honors were given to Mrs. Milton Subbert, Mr. and Mrs. Clyde Reils. Refreshments were served by the hostess.

The Executive board of the PTA will meet Friday evening March 3 at 7 p. m. in the public school, Tuesday evening, March 7 at 8 p. m., the regular meeting of the PTA of the Frankfort public school will meet and Mrs. Allen Davies of Joliet will give a book review. The public is invited to attend. All PTA members are urged to be present and bring a guest.

Mr. and Mrs. Burton Breidert, Mr. and Mrs. Wendell Morrison and Mr. and Mrs. Leroy Hansen attended the annual convention of the Illinois Lumber and Material Dealers association, held in the Hotel Sherman at Chicago Tuesday, Feb. 21.

Mr. and Mrs. Burton Breidert were hostesses to their pinchle club at their home Friday evening. Honors were awarded Albert Krusemark, Jr., Mrs. Leo Peterson and Dr. and Mrs. Claude Otto. After the evening's diversion refreshments were served by the hostess.

CARD OF THANKS

I want to thank all who so thoughtfully sent me lovely cards and flowers while I was in the hospital and since I am home I appreciate them very much.

MRS. ROSE YUNKER

Mr. and Mrs. Richard Erickson and family returned Saturday evening from a motor trip to Oklahoma. They visited the Doc White family at Wagner, Okla., sister of

Mrs. Erickson. While there they visited the Indian Reservation; the Oil Fields at Tulsa, the new dam at Ft. Gibbons and the Will Rogers monument at Claremore, and also spent two days with C. F. Colcord of Alpine who is spending the winter at Hot Springs.

Mrs. Elmer Cooper, Mrs. T. Arthur Shoop, Mrs. Hugo Neithammer, Mrs. Darrell Manhart and Mrs. Harold Cooper attended the World Day of Prayer at the Frankfort Methodist church last Thursday afternoon.

The next regular meeting of the VFW Auxillary will be held in their

new hall, this evening. As election of officers will take place, all members are urged to attend.

Mrs. A. I. Steele entertained a group of her daughter's friends in her home Saturday night in honor of Alburn's 18th birthday. The guests played cards and some of their favorite old recordings. Later in the evening Mrs. Steele served barbeques and cokes together with the traditional birthday cake. Guests were the Misses Juanita Brueser, Carole Carpenter, Anita Geuther, Elaine Spiess, Doris Yunker, and Joanne Martie.

Mr. and Mrs. Harland Merrell

and son Billy and Miss Mary Betty Minor were dinner guests of the Semmler-Westlund families last Sunday in observance of the eighth wedding anniversary of Mr. and Mrs. Merrell.

Mr. and Mrs. Everett Creer and son Allen have moved from Orland Park into the home of her parents, Mr. and Mrs. Bert Spiess, Allan has entered the Mokena public school.

Mrs. Florence Steele, Miss Alburn Steele and George Lauffer spent Sunday with their daughter and sister, Mr. and Mrs. Stanley Piper at Grant Park to help the Piper's daughter Mary Lou, celebrate her fifth birthday.

The Methodist church Sunday school board meeting will be held tomorrow evening in the home of Mrs. T. Arthur Shoop.

Mrs. John Martin who has been ill for several weeks, is slowly improving.

Dr. and Mrs. Clyde Knudson and daughter Sally of Stoughton, Wis., spent Saturday and Sunday with his mother Mrs. Rose Knudson. Mr. and Mrs. Clifford Knudson and son Wayne of Blue Island joined them for Sunday dinner. The Clyde Knudson's did not run into any snow on their motor trip down until they reached Des Plaines, Ill.

Mr. and Mrs. Roy Kohl and son Harold spent Friday evening with Mr. and Mrs. Ray Westlund.

Miss Gladys Watkins entertained the Young Women's club of New Lenox in her home last Friday evening.

Mr. and Mrs. Harold Cooper and family and Mr. and Mrs. Hugo Neithammer and daughter were dinner guests of their parents, Mr. and Mrs. Elmer Cooper Sunday.

Hugh Deadmore has been confined to his home this week with flu.
